ERA

FRESHMEN ERA

Many great events took place in 2002. The Department of Homeland Security was created. We all laughed at My Big Fat Greek Wedding. Enron went bankrupt and stayed in the headlines for months. Newcomer Alicia Keys walked away with five Grammies. Another huge event that occurred in 2002 was we started college that fall. Many of us left our families for the first time to embark on a new and exciting journey. We lived in Spellman and for the first time had no curfews. Co-ed dorms were a plus... but we could've done without the communal bathroom experience. Our Mville ID's were put to good use at O'Brien's... if you know what we mean. And when the weekend was over, we found ourselves sitting in preceptorial once again.

Between Flik and our "recreational" weekends, the freshman 15 felt more like the Freshman 30. Wayne Wonder's "No Letting Go" became our Pub party anthem, and of course, "why go clubbing, when you can go pubbin!"

Toni Smith stood for what she believed and Mville stood by her. Our first year ended with the best Mville tradition, Quad Jam. This year will always be a significant part of our lives because it was the first step in our journey to becoming well educated individuals.

What are you girls doing with that Mville chair?

Elizabeth, Perla, and Jackie

SOPHOMORE ERA

After orientation, precept, and Spellman, we the class of 2006 were finally sophomores! Freshman year was a right of passage and we all passed with flying colors. During the year, the campus underwent many changes. We were able to stay awake to write our ENC2085 paper thanks to the coffee from our brand new library café. We exercised our freedom speech and made our voices heard on certain issues, including losing the volleyball and swimming, and losing single room privileges in Founders Hall. Who could forget the image of a human mattress racing up the steps of the castle?

After long, hard days and pulling all-nighters, it was a good thing that we had a new hot spot to relieve stress and party with our friends. With fake ids in hand, we all said goodbye to New Rochelle's North Ave and found a new home at White Plain's Dooley Mac's! We ended our sophomore year with a big bang by finally experiencing a true Quad Jam. It was by far one of the best ones yet because it was outside, the way they should be!

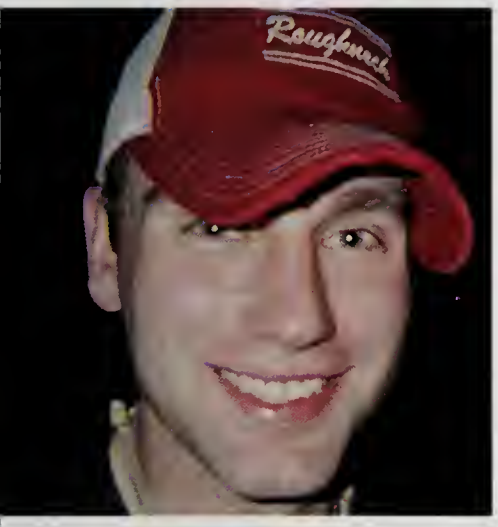
Dooley's... a home away from home.

Shane Performing at Quad Jam.

Kim, Dionne, and Erika partying at Quad Jam.

How many people can you fit in your shower?

Junior fairies, Emily and Kristin at 200 Nights.



JUNIOR ERA

As we moved into junior year we saw that the sophomores had invaded the once senior dorm, Founders. Founders wasn't the only building that changed. Tenney added the new TV production studio, which lead to the creation of Y Not News, sending news via e-mail. As Manhattanville became more technologically advanced, students were able to watch theater productions and live video feed from sport events. For the first time, men's and women's ice hockey won the ECAC Championships. Manhattanville received a tremendous amount of national exposure, thanks to the conception of the My Soldier Program founded by Juan Salas. Over 250,000 civilians participated in the My Soldier Program. The 2004 election was our first opportunity to exercise our right to vote for the president of the United States. Finally we had a say in the future of our country.

As junior year came to an end, we all handed in room deposits and dealt with the room selection process for the last time. As finals ended and we all moved out, we waited in anticipation for our senior year.

SENIOR ERA

We were seniors and the countdown had begun. We returned to campus from a long summer break, to find that the pub and the bookstore were renovated, the convenience store was moved, the Pitt became the game room, freshman lived with Berman and most importantly, we had more boys. We had our last fall fest, rainy like the rest, but the biggest nevertheless. Before we knew it, 200 nights was near. With costumes and friends we enjoyed a whole hour together before we were joined by the underclassmen. October went by and November soon came... meaning advising and registering for classes for one last time. We all went on break, excited and nervous because soon we would start our LAST semester.

The Spring semester was full of emotions... and laziness of course. 100 nights came so fast with our Masquerade theme. Before we knew it, 50 nights were left before it all came to an end and we graduated. We said goodbye to all our underclass friends, and were the only ones left. Senior week started with a great big formal, between Six Flags and the Yankee game, and extra partying, we spent our last week as Manhattanville Students. Then it was Saturday and Graduation had come. The day we worked so hard for was finally here. Looking back we realize how much we accomplished from Freshman year to Senior year. We were ready for the "real world" ...but no matter where we go, what we do, we will always have our memories at Mville and "Never before, Never again, We will always be the class of 06 till the end!"

What's that in your hand Heather?

Helen and Gia looking pretty!

J.R. and Michael Harris

Finally legal... and proud of it! Angie and Susannah.

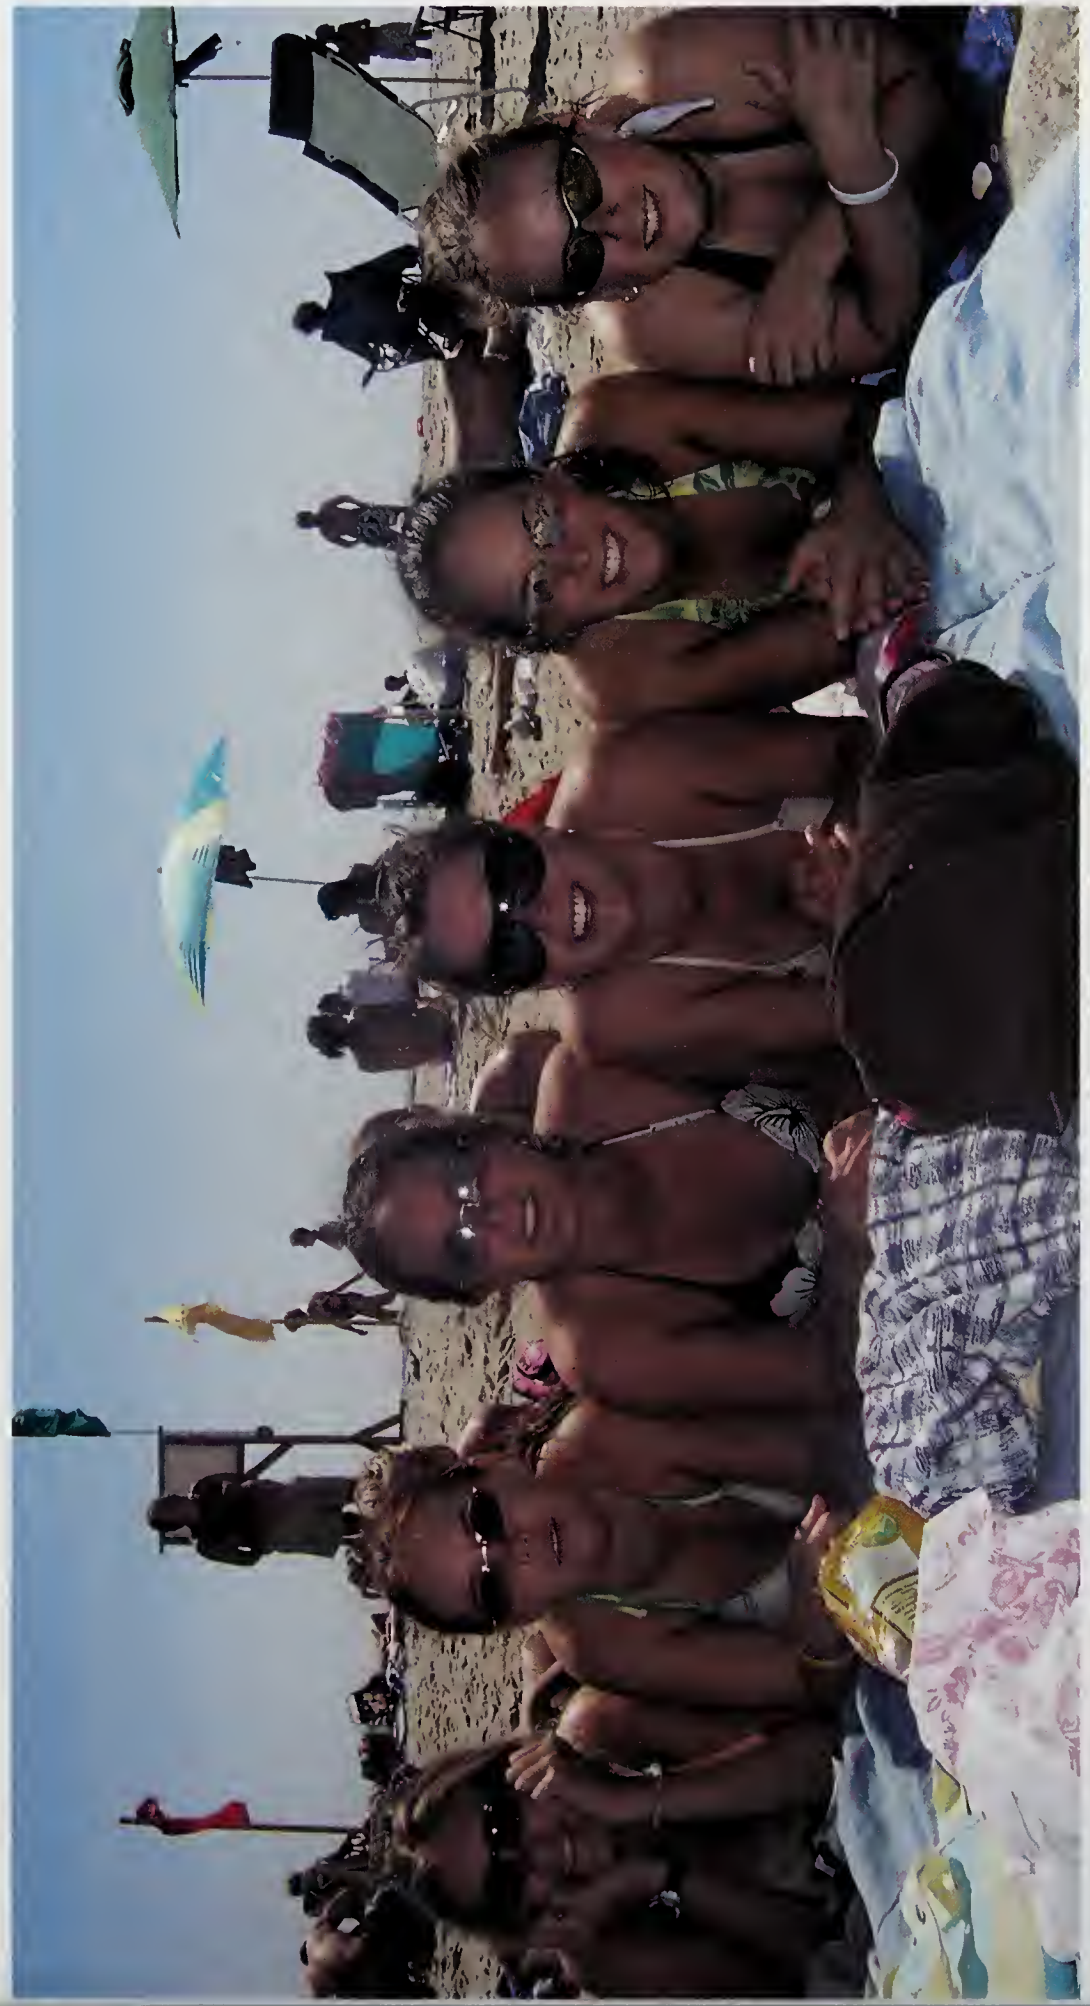
CLASS OF 2006



200 NIGHTS

Let the countdown begin. 200 Nights, the annually celebrated Halloween party here at Manhattanville starts the countdown till graduation for seniors. This night gives the campus the opportunity to dress in costume, dance the nights away, and make it as memorable as possible.

Elizabeth and Michele

The Class of 2006

We put out... FIRES!

So many different costumes.

Jami and Jess... We love those Mullets!

Willy Wonka was the costume contest winner.

Hard at work preparing for the big day.

ORIENTATION '05

This years theme for Orientation '05 was "Putting The Pieces Together," and that was exactly what happened. Bringing in students from 32 states and 31 countries, the class of 2009 has been the biggest and most diverse in Mville history. Freshman and family members received a warm and friendly welcome from the Mville OA's, who had spent a whole week preparing and training for their arrival. Nothing would have been possible without the hard work and dedication of the three OC ladies, Alanna, Rosa and Lauren, and their trusty advisor, Michele Masick, who made orientation informative, fun and memorable for everyone.

FALL FEST

With only a brief mid-day shower the day was sunny and blue-skied for Fall Fest. The sights and sounds of Fall Fest 2005 included a Climbing Wall, Horse Hay-Rides, Dressing up for some Olde Time Photos, complimentary Ben & Jerry's, warm Caramel Apples, fresh Fried-Dough Style Doughnuts, Tents set up with Football and Baseball Challenges, Air Hockey and Foosball Tables out on the Quad and live entertainment including Bands: FRAMED, MORTUUS FEROX, and more.

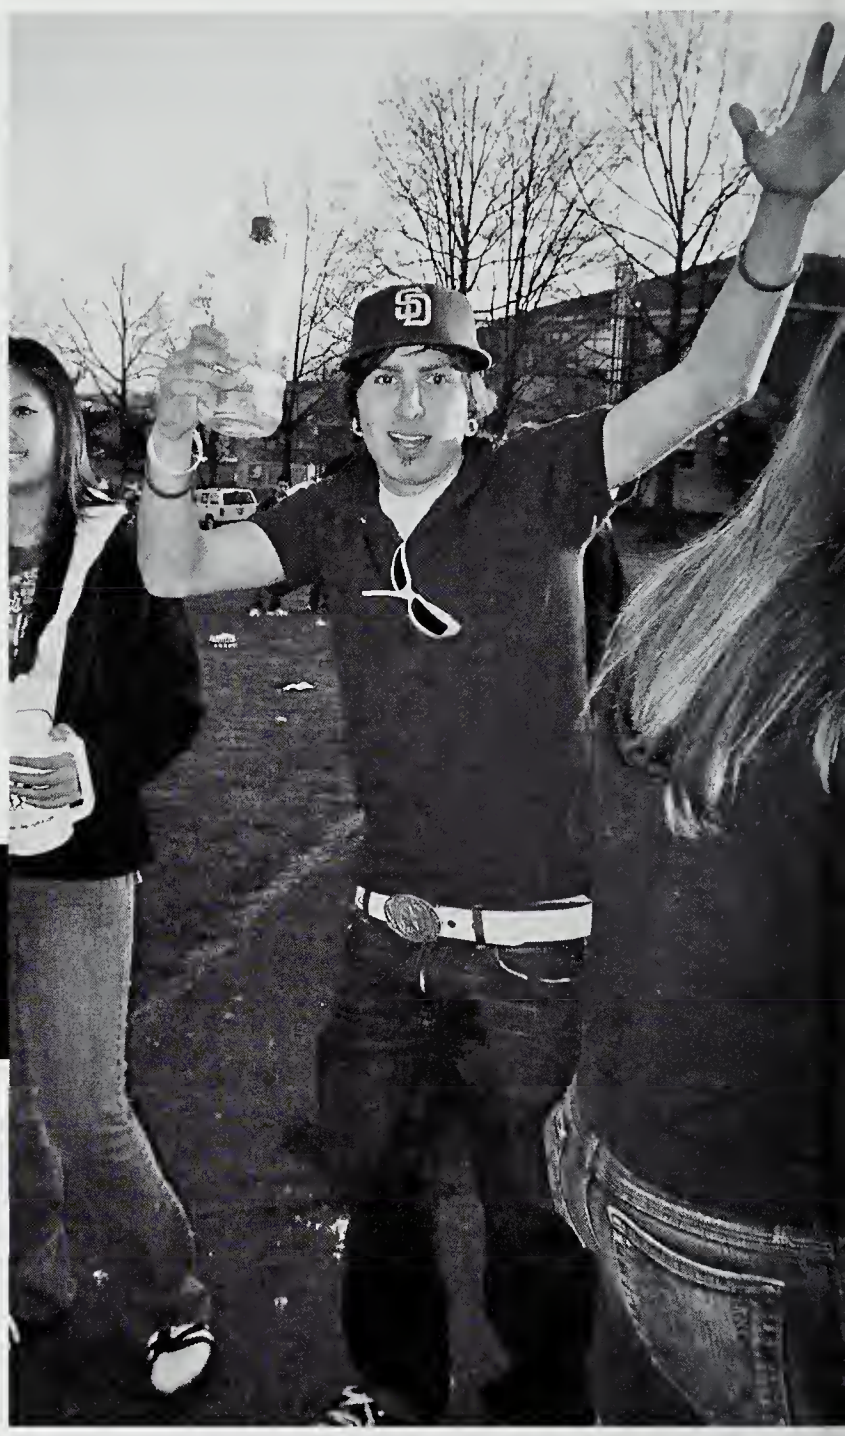
OUT AND ABOUT

WINTER FORMAL '05

Two nights out of the year, we get together and party the night away dressed in our best. Even though the weather was cold, we warmed up quickly by laughing and dancing with all our closest friends.

MIDNIGHT BRUNCH

This year's Midnight Brunch! The sight of it all including wall to wall students itching to take a break from studies, a variety of foods, dancing to the DJ and in the middle of it all, President Berman serving up the hot dogs.



QUAD JAM '05

Each Spring the students at Manhattanville eagerly await the arrival of Quad Jam. Quad Jam is Manhattanville's largest event and has many activities for students to participate in. At Quad Jam '05, we were able to dance the day away with Dance Revolution and race our friends in a bungee run. Then, after burning all those calories we were able to relax and devour some ice cream from Ben and Jerry's and have funny caricatures drawn of us. Of course, we were also able to just hang out on the Quad with all of our friends and listen to great music while enjoying the warm weather. Some of the lead performers included The Bouncing Souls and Manhattanville's own Wind Factor 7. As always, it was a great time !

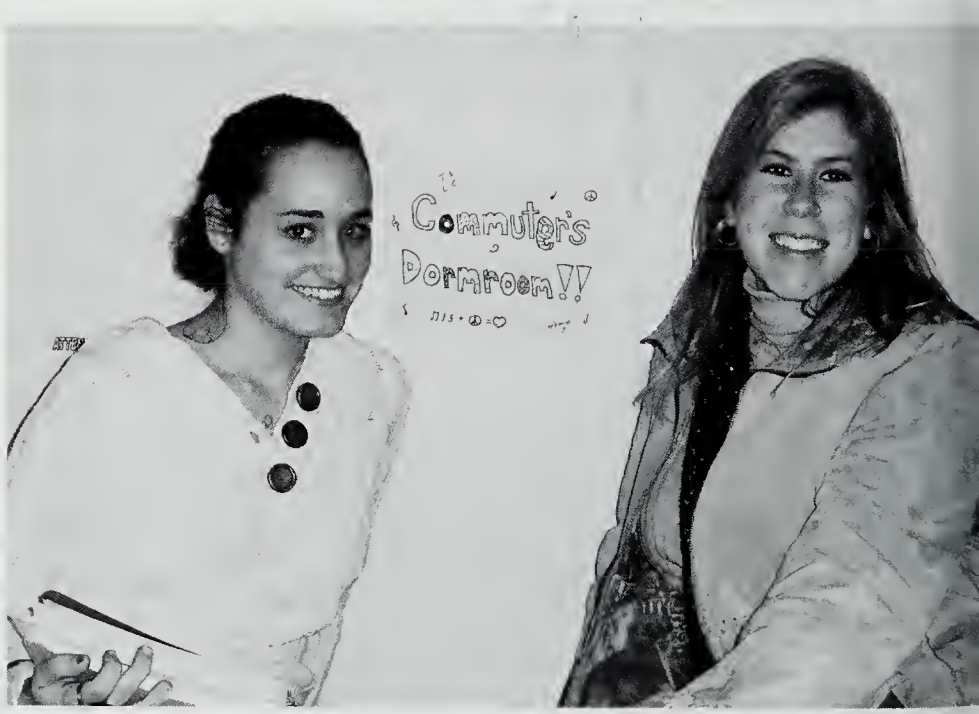
DROOD

The Manhattanville College Theatre Department of Music, Dance & Theatre proudly presented its annual musical. The Mystery of Edwin Drood, by Rupert Holmes, was under the direction of Mark Cherry and Beverly Meyer. It was choreographed by Bonnie Walker. This show received rave reviews from all and was a Manhattanville box office hit.

COMMUTERS

For the many students who travel to campus each day, the Commuter Lounge is a place for them to spend their free time in between classes and bond with fellow commuters. It's where they can catch up on some schoolwork, grab a bite to eat, lounge in one of the oversize couches, and chat with some friends. It has become one of the few places on campus that allows commuters to feel like a part of the Manhattanville community.



You Know You're A Commuter When You...

... can use traffic as an excuse for being late to class.
... have to show up at 8:30 for your 9:20 class just so you'll get a good parking space.
... can't drink at Pub Parties because you have to drive home.
... spend more time looking for parking than you do in class.
... look around and realize you're way too overdressed.
... don't think Flik food is that bad.
... have to show 20 forms of ID in order to enter the campus after 10 PM.
... attend Club21 parties to meet residents and end up hanging out with all your commuter friends.
... register for your parking decals before you register for class.

1661 CHIEF SHANAROCKE OF THE SIWANOY INDIANS TURNED THE LAND OVER TO JOHN BUDD OF SOUTHHOLD, LONG ISLAND.

THIS PAST CHRISTMAS, THE BRIGHTNESS OF THE SEASON WAS DIMMED BY THE DEATH OF OUR BELOVED ALUMNUS AND TRUSTEE, SERGIO DANGUILLECOURT. A 1990 GRADUATE, SERGIO WAS YOUNG. HE WAS VERY GOOD TO MANHATTANVILLE, AND TO ALL WHO BENEFITED FROM HIS VISION AND COMMITMENT TO EDUCATION, STUDENTS AND DIVERSITY. WE ARE GRATEFUL FOR ALL HE DID FOR ALL OF US. WE ARE GRATEFUL FOR HIS GENEROUS MENTORING, AND FOR HIS GENEROSITY IN HONORING HIS OWN MENTOR, PROFESSOR EDWARD W. RYAN, BY ENDOWING THE RYAN-BACARDI CHAIR IN ECONOMICS. BUT MOST OF ALL, WE ARE GRATEFUL FOR HAVING HAD SERGIO IN OUR LIVES. SERGIO WILL LIVE ON THROUGH US AND THROUGH THE LIVES OF COUNTLESS OTHERS. WE ARE HIS LEGACY. Dear Robyn,
You are our third child, our baby, our artist, and our dancer: how proud we are of you! We are in awe of all that you have accomplished in your young life. You danced into our hearts, and from day one we took great pleasure in watching you grow and develop into a sensitive and talented young lady. We enjoyed watching you perform from the first time you entered the stage and danced with delight. We love with pride the ceramic platters, bowls, and vases which you have made that adorn our home. Your determination to succeed is apparent when you decided to graduate high school a year earlier. It is hard to believe that your four years of college have gone by so quickly. You have worked hard to accomplish academic and personal successes. We know that you will make a wonderful teacher. So, on your graduation day, we and your sisters want to wish you success for the future and always remember that you are our dancer, our artist, and our baby.
